

Financial IT and Disruptive Technologies 2018 program

08:10-08:40 Registration

Section I: Disruptors and digitalization from a business point of view

*"Koppenhága" conference room.
Hungarian-English simultaneous interpretation.*

Moderator: Zoltán Bán, CEO, Net Média (Portfolio Csoport)

08:40 - 08:45 Welcome speech: Zoltán Bán, CEO, Portfolio

08:45 - 09:05 Past and future of digitalization in the financial sector

Speaker:

Róbert Oláh, Key Account Manager, T-Systems

09:05 - 09:25 Challenger Banks and the Future of Fintech. Revolut's Perspective

Speaker:

Andrius Biceika, Head of Country Managers, Revolut

09:25 - 09:45 Pursuing digital transformation: How can we keep up with disruptive technologies?

Speaker:

Antal Kerekes, Partner, PwC Hungary

09:45 - 09:55 Digital banks vs. IT companies - Cooperate or compete?

Speaker:

Éva Hegedüs, elnök-vezérigazgató, Gránit Bank

09:55 - 10:55 Bank and insurance executive panel - Business decision-makers about disruptors

How do decision-makers prepare for digital challenges? In which areas do banks and insurers fear emerging competitors and tech giants the most? What does PSD2 mean to financial institutions through a business lens? Can we still say nobody will disrupt the Hungarian banking and insurance market in the near future when we already have Revolut, Transferwise, and so on?

Conversation participants:

László Harmati, Deputy CEO, Erste Bank

Éva Hegedüs, elnök-vezérigazgató, Gránit Bank

Márk Hetényi, vezérigazgató-helyettes, MKB Bank

Krisztián Kurtisz, UNIQA International Chief Retail & Digital Officer, UNIQA Group

10:55-11:15 Coffee break

Section II/A: New technologies in service of business

"Koppenhága" conference room.

Hungarian-English simultaneous interpretation.

Moderator: Antal Kerekes, Partner, PwC Hungary

11:15 - 11:35 Blockchain at banks and insurance firms

Speaker:

Marta Piekarska, Director of Ecosystem, Hyperledger

11:35 - 11:55 Digital revolution: how incumbents are transforming into neobanks?

Speaker:

Stefan Häbich, Managing Director BeeOne, Erste Group's Innovation Hub

11:55 - 12:45 Panel discussion: Digital transformation at financial institutions

The panel will focus on the digital transformation of banks and insurers as seen by their top IT managers and major technology suppliers. What technologies should you invest in now? How can artificial intelligence solutions, chatbots, blockchain (DLT) and mobile technologies assist banks in keeping up with emerging rivals or competitors entering from other industries? What must be changed in the operation of a bank to do so successfully? Have banks prepared for PSD2 and GDPR?

Conversation participants:

Ferenc Böle, IT Project Director, OTP Bank

Csaba Márton Galló, ügyvezető igazgató, informatikai divízió, CIB Bank

Bálint Kelemen, Chief Information Officer, Budapest Bank

Zoltán Kozma, informatikáért felelős vezérigazgató-helyettes, Takarékinfo
